## ABOUT THE 2016 DEMOCRATIC NATIONAL CONVENTION

The 2016 Democratic National Convention will take place in Philadelphia, PA the week of July 25<sup>th</sup>, 2016. Throughout the week of meetings and events Democrats from across the country will gather to nominate our next President and Vice President of the United States.

The convention marks the beginning of the general election campaign for President. At this convention party leaders and delegates will work to shape our message and strengthen our party for the November elections.

The New Hampshire Democratic Party's goal is to make the convention an engaging celebration of the Democratic Party, the diversity we embrace, the values we share, and our vision for America.

## ABOUT THE DELEGATE NOMINATION PROCESS

Rather than voters directly electing the candidate, their votes are translated into delegates that are distributed according to the level of support those candidates receive. Each state receives a certain number of delegates according to a formula agreed upon in advance of the convention. Those delegates are selected by rules formulated at the state level in keeping with national guidelines. In addition, there are different types of delegates from each state. Some are elected officeholders and party leaders, some are elected at the district level, and some are elected at the state level, such as elected by other delegates or given by committee. A majority of the delegates are already “pledged” to candidates based on their performance in the primary. Once a candidate locks up a majority of delegates, nation-wide, they can receive the party nomination.

The three types of delegates are: Base Delegates, Pledged “PLEO” (Party Leaders and Elected Officials) Delegates, and Unpledged “PLEO” Delegates.

**BASE DELEGATES:** Each state is awarded a number of delegates to the national convention based on its share of the total Democratic popular vote and its share of the electoral vote in the three most recent presidential elections. New Hampshire has a total of 23 (twenty-three) Base Delegates. 16 (sixteen) elected at the District-level, 5 (five) elected At-Large (by a quorum consisting of the District-level delegates) and 2 (two) At-Large Alternates.

**PLEDGED “PLEO” (Party Leaders and Elected Officials) DELEGATES:** The fifty states and the District of Columbia are awarded a number of delegates equal to 15% of their number of base delegates to be filled by party leaders and elected officials. Puerto Rico, Guam, American Samoa, Democrats Abroad, and the U.S. Virgin Islands are also awarded PLEO Delegates. New Hampshire has a total of 3 (three) Pledged “PLEO” Delegates.

**UNPLEDGED “PLEO” DELEGATES:** Primarily Democratic Members of Congress, DNC Members, Governors and national “distinguished party leaders”, such as Former Presidents. New Hampshire has a total of 8 (eight) Unpledged “PLEO” Delegates.

### DELEGATE DISTRICTS

New Hampshire will send a total of 34 people (32 delegates and 2 alternates) to represent the Granite State at the 2016 Democratic National Convention. The selection process begins at the district level when each Presidential candidate will hold a district-level pre-primary caucus. 16 will be elected, 6 in each district. Districts have the same boundaries as Congressional districts (see map below) and the total number of district-level delegates will be equally divided between men (District 1: 4) (District 2: 4) and women (District 1: 4) (District 2: 4).

To qualify as a district-level delegate candidate, an individual may run for election only within the district in which he or she is registered to vote.

## **HOW TO RUN FOR DELEGATE**

Being a delegate to a national convention is both a rewarding and unique experience. In 2016, a total of 34 people (32 delegates and 2 alternates) from New Hampshire will have the opportunity to represent the Granite State in Philadelphia, Pennsylvania for the Democratic National Convention.

Running for delegate is easy, here's how it works:

### **Step 1: Register to Vote**

To qualify as a district level delegate candidate, an individual may run for election only within the district in which he or she is registered to vote. If you are not registered to vote by January 30<sup>th</sup>, 2016, the day of the District Delegate Selection Caucus, you

may sign a pledge stating that you will be registered to vote or will register on the day of the presidential preference primary. New Hampshire has same day registration.

### **Step 2: File a Statement**

An individual must file a statement of candidacy designating his or her presidential preference and a signed pledge of support for the presidential candidate with the New Hampshire Democratic Party by January 18<sup>th</sup>, 2016 by 5PM EDT. The State Democratic Party Chair will convey to the Presidential Candidate, or that candidate's authorized representative(s), a list of person who have filed for delegate pledged to that presidential candidate. By January 25<sup>th</sup>, 2016 each presidential candidate, or that candidate's authorized representative(s), must file a list of all such candidates he or she has approved.

### **Step 3: Win at the Caucus**

On January 30<sup>th</sup>, 2016 (date subject to change), District-level delegates shall be elected by a pre-primary caucus to slate delegates. Each person voting at a district-level pre-primary caucus shall sign a statement certifying that (i) the person was qualified to vote in the February 9<sup>th</sup>, 2016 Democratic Presidential preference primary and (ii) the person must support the presidential candidate whose district-level delegates are being chosen at the caucus. Each candidate for delegate is encouraged to recruit his/her friends, family, neighbors, coworkers, etc. to attend the caucus (if they are eligible to vote in the caucus) and vote for that delegate candidate.

#### **Step 4: Vote**

Convention delegates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district. Preferences fall below a 15% threshold shall not be awarded any delegates.

#### **Summary:**

16 district-level delegates will be elected, 8 in each district. Districts will have the same boundaries as the congressional districts (See map on page 6) and the total number of district-level delegates will be equally divided between men (District 1: 4) (District 2: 4) and women (District 1: 4) (District 2: 4). Finally, delegate positions are allocated so as to fairly reflect the express presidential (or uncommitted) preference of the primary voters in each district.

## FAQ ABOUT THE DELEGATE SELECTION PROCESS

### **Who can be a Delegate?**

It is open to all voters in the state of New Hampshire who wish to participate as Democrats, including new voters and non-affiliated voters who wish to register or enroll and anyone who will be 18 years old by the time of the 2016 general election, November 8<sup>th</sup>, 2016. The times, dates, places, and rules for the conduct of delegate selection meetings will be publicized, bilingually where necessary.

### **How much does it cost?**

There is no mandatory cost or fee required to become a delegate.

### **What are the types of delegates? How are they selected?**

Pledged delegates differ from unpledged delegates in that they must openly commit to a candidate before the vote and are subject to review by that candidate.

***District-Level Delegates*** – These make up roughly half of delegates, and must file a statement of candidacy designating the presidential or uncommitted preference and a signed pledge of support for the presidential candidate the person favors, if any, with the state party by a date the state party specifies. They must run for election in the congressional district they are registered to vote in, and are subject to review by the candidate they support.

***At-Large Delegates*** – Must also file a statement of candidate designation the presidential or uncommitted preference and a signed pledge of support for the presidential candidate the person favors, if any, with the state party by a date the state party specifies. The state party determines how these delegates are selected, but they are often selected by the district-level delegates.

***Unpledged PLEO Delegates*** – DNC Members, Democratic U.S. House and U.S.

Senate members and Democratic Governors are automatically confirmed as delegates in their states delegation.

***Pledged PLEO Delegates*** – New Hampshire has a total of 3 (three) Pledged PLEO Delegates slots. Candidates for these positions are considered according to the following priority: big city mayors and state-wide elected officials, state legislative leaders, state legislators, and other state, county and local elected officials and party leaders. These delegates are chosen by a committee consisting of a quorum of district-level delegates.

### **What about Alternate Delegates?**

New Hampshire has 2 (two) Alternate delegates. These delegates are selected by a committee consisting of a quorum of the district-level delegates.

### **How many Delegates does my state get?**

For the 2016 Democratic National Convention, the state of New Hampshire is allocated 32 delegates and 2 alternates. Of the 32 delegates, 8 are automatic pledged delegates: Governor Maggie Hassan, Senator Jeanne Shaheen, Congresswoman Annie Kuster, Chairman Ray Buckley, Vice Chair Martha Fuller Clark and DNC Members Kathy Sullivan, William Shaheen & Joanne Dowdell.

### **When are District-Level Delegates selected?**

District-level delegates shall be elected by pre-primary caucus to slate delegates on January 30<sup>th</sup>, 2016 before the presidential preference primary on February 9<sup>th</sup>, 2016.

## AFFIRMATIVE ACTION PLAN

The NHDP is committed to ensuring that we always have to most diverse delegation possible. Each and every Convention we work to exceed the goals that have been set to send as many delegates from our historically under-represented communities (LGBT, Youth, Hispanic/Latino, African American, Native American, AAPI and Disabled) to the Convention as possible. If you are a member of one of those communities we encourage you to run and help spread the word on how to run in your community.

The NHDP Affirmative Action Committee, led by Mayor Dana Hilliard and DNC Member At-Large Joanne Dowdell, along with NHDP staff and other leaders are willing to travel to and present on how to become a delegate. Please contact Sean Doyle at [sdoyle@nhdp.org](mailto:sdoyle@nhdp.org) for more information.

We will be hosting a webinar series as well throughout between November and January (dates to be announced) where anyone interested in running for delegate can join and watch a presentation on how to organize and run for delegate.

Candidates for delegates from these communities should be in contact with their respective Presidential campaigns to ensure they are helping you reach out to other supporters of their candidate.

Primary election-day. (Rules 2.A and 2.C, and Reg. 4.3) Those voters who are registered independents who request a Democratic ballot have their preference marked on the voter checklist. (Reg 4.3)

- b. At no stage of New Hampshire's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. (Rule 2.D. & Reg. 4.4.)

The state party is responsible for selecting the dates and times and providing facilities for all official meetings and events related to this process. In addition, the scheduling of meetings shall consider any religious observations that could significantly affect participation.

Main Street, Concord, New Hampshire, 03301 during the filing period set by the Secretary of State.

"Uncommitted" does not automatically appear on the ballot. Write-ins are allowed on the presidential preference primary ballot. (Rules 11.B., 14.A., 14.B., 14.D., 14.E., & 14.H.)

## **SECTION III**

### **SELECTION OF DELEGATES AND ALTERNATES**

#### **A. DISTRICT-LEVEL DELEGATES AND ALTERNATES**

1. New Hampshire is allocated 16 district-level delegates and 0 district-level alternates.  
  
(Rule 8.C., Call, I.B. & I.I. & Appendix B) Each district shall have the same boundaries as the congressional district. Alternates will be elected on an At-Large basis.
  
2. District-level delegates shall be elected by pre-primary caucus to slate delegates on January 30<sup>th</sup>, 2016. Delegate Candidates shall be listed in alphabetical order on a printed ballot; the starting letter shall be drawn by the State Party Chair. Each person voting at a district level pre-primary caucus shall sign a statement certifying that (i) the person will be qualified to vote in the November 8, 2016 General Election and (ii) the person supports the presidential candidate whose district level delegates are being chosen at the caucus. If a presidential candidate or uncommitted qualifies to receive more delegates than were elected at the pre-primary caucus, there will be a post-primary caucus to elect those delegates. That post-primary caucus will take place on the same day as the election of the PLEO, At-Large and At-Large Alternate Delegates with the same filing periods.

3. Apportionment of District-Level Delegates

- a. New Hampshire's district-level delegates are apportioned among the districts based on a formula giving equal weight to the average of the vote for the Democratic candidates in the 2008 and 2012 presidential elections and to Democratic Party registration or enrollment as of January 1<sup>st</sup>, 2016. The formula gives each District equal representation and well as equal weight to the average voter which is why this formula is used. (Rule 8.A., Regs. 4.10., 4.11. & Appendix A)
  
- b. The state's total number of district-level delegates and alternates will be equally divided between men and women. (Rule 6.C.(1) & Reg. 4.8.)
  
- c. The district-level delegates and alternates are apportioned to districts as indicated in the following chart:

District	Delegates		
	Males	Females	Total
#1	4	4	8
#2	4	4	8
Total	8	8	16

4. District-Level Delegate and Alternate Filing Requirements

- a. A district-level delegate candidate may run for election only within the district in which he or she will be registered to vote on General Election day. (Rule 12.H.)
  - b. An individual can qualify as a candidate for district-level delegate to the 2016 Democratic National Convention by filing a statement of candidacy designating his or her singular presidential (or uncommitted) preference and a signed pledge of support for the presidential candidate (including uncommitted status) with the State Party by 5PM January 22<sup>nd</sup>, 2016 at 105 N. 5. Presidential Candidate Right of Review for District-Level Delegates.

  - b. Each presidential candidate, or that candidate's authorized representative(s), must then file with the State Democratic Chair by January 25<sup>th</sup>, 2016 at 5:00 p.m., a list of all such candidates he or she has approved, provided that approval be given to at least three (3) times the number of candidates for delegate men and three (3) times the number of candidates for delegate women. (Rule 12.E.(1), Reg. 4.23.)

- c. Failure to respond will be deemed approval of all delegate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than January 25<sup>th</sup>, 2016 at 5:00 p.m.
  
- d. National convention delegate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate at that level pledged to that presidential candidate (including uncommitted status). (Rule 12.E. & Reg. 4.23.)
  
- e. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate (including uncommitted status) has used their best efforts to ensure that their respective district-level delegate candidates and district-level alternate candidates meet the affirmative action and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates and district-level alternate candidates as indicated in Section III.A.5.b of this plan.

6. Fair Reflection of Presidential Preference

- a. **Presidential Primary - Proportional Representation Plan** (Rules 13.A., 13.B. & 13.D.) The New Hampshire presidential primary election is a "binding" primary. Accordingly, delegate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district. The National Convention delegates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates.
- b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be the percentage of the vote received in that district by the front-runner minus 10%. (Rule 13.F.)

7. Equal Division of District-Level Delegates

- a. In order to ensure the district-level delegates are equally divided between men and women, delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. This

votes. If a presidential candidate or uncommitted preference is allocated three (3)

delegates in the Second Congressional District, one (1) position will go to the male

receiving the highest number of votes, another to the female receiving the highest

number of votes, and the third to the next male receiving the highest number of votes.

e. If the presidential candidate or the uncommitted preference is allocated four (4) delegates in the First Congressional District or the Second Congressional District, two

8. The New Hampshire Secretary of State shall certify the election results within three (3) days of the presidential preference primary. (Call, VII.C.1. & Reg. 5.7.)

b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to New Hampshire. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (Call, VII.C.2.)

Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (Call, VII.C.3.)
  - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three standing committees. Positions for presidential candidates on each committee shall be ranked according to the total

- (1) A separate election shall be conducted for membership on each standing committee.
- (2) The membership of the standing committees shall be as equally divided as possible under the state allocation; if the number is even, the membership shall be equally divided between men and women; if the number is odd, the variance between men and women may not exceed one (1), and the advantaged gender must not remain constant for the three standing committees. The foregoing information will also be published in State Party communications and on the State Party's website. The Party will also encourage presidential candidates to post the plan on their state websites. The Party organization, official, candidate, or member calling a meeting or scheduling an event, shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention. (Rules 3.C. and 3.D.)
2. Newspapers, radio and television will be utilized to inform the general public how, when and where to participate in the delegate selection process. Specifically, this information should provide details as to how to qualify to run as a delegate candidate.

Special effort shall be directed to the major daily newspapers, radio and television stations by the State Democratic Chair, Affirmative Action Committee members and staff. Regular releases during the delegate selection process to all other media sources, weekly newspapers, and wire services should complete timely coverage.

(Rules 4.B.(3) & 6.D.)

3. A priority effort shall be directed at publicity among the Democratic Party's constituencies.
  - a. Information about the delegate selection process will be provided to minority newspapers and radio stations, ethnic press, Native American, Asian/Pacific American, Spanish-speaking and other non-English press, radio stations and publications, and women's organizations, student newspapers, LGBT press, disability press, and any other specialty media in the state that is likely to reach the Democratic constituency groups set forth in the Introduction of this Affirmative Action Plan.
  - b. The State Party shall be responsible for the implementation of this publicity effort. For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of post-primary caucuses and the presidential preference primary shall be effectively publicized, bilingually where necessary, to encourage the participation of minority groups.

(Rule 6D)

4. Not later than September 15<sup>th</sup>, 2015, a press kit shall be made and provided to each daily and weekly newspaper as well as to the electronic media. The press kit will include:
  - a. a summary of all pertinent rules related to the state's delegate selection process;
  - b. a map of delegate districts and how many delegates will be elected within each district;
  - c. a summary explaining the operation and importance of the 2016 Convention;
  - d. materials designed to encourage participation by prospective delegate candidates; and
  - e. the Affirmative Action Committee membership and contact information.

#### D. REPRESENTATION GOALS

1. The State Party has not determined the demographic composition of African Americans, Hispanics, Native Americans, and Asian/Pacific Americans, or other historically under represented groups, in the state's Democratic electorate. The State

Party has inquired of one independent polling group and the New Hampshire Secretary of State’s Office as to the availability of demographic data for New Hampshire Democrats, and have been unable to locate any from these sources. We have obtained 2013 U.S. Census Bureau data in an effort to best estimate representation of African Americans, Hispanics, Native Americans, and Asian/Pacific Americans in the State’s Democratic electorate.

2. The State Party was unable to obtain census data regarding the gay/lesbian population; however, representatives of the LGBT community have advised the State Party that, typically, 10% of the population consists of gays and lesbians.
  
3. Recognizing that (a) members of the non-caucasian and other historically under represented communities trend towards the Democratic Party; (b) Independents may elect to register as Democrats to vote in New Hampshire presidential preference primary; and (c) the State Party’s expectation is that more Independents shall vote in the Democratic presidential preference primary based on polling data from the UNH Survey Center, we have multiplied the Census data for the non-caucasian and other historically under represented communities by 200%, thus reaching the following estimated demographic data for Democratic voters:

African American	2.8%	
Latino/Hispanic:	5.6%	
Native American		0.6%
Asian/Pacific American	4.0%	

Multi-Racial	2.2%
Seniors (65 and older)	27.0%
Youth (18-36)	17.0%
Disabled (18-64)	29.2%
LGBT	20.0%

Based on the foregoing, we have established the following numeric goals:

3 African American Delegates

3 Latino/Hispanic Delegates

3 Asian/Pacific Islander Delegates

1 Native Americans Delegates

9 Disabled Delegates

6 LGBT Delegates

5 Youth Delegates

4. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (district-level, pledged PLEO, and unpledged) shall be compared with the State Party's goals in order to achieve an at-large selection process which helps to bring about a representative balance.
5. Use of the at-large delegation to achieve the affirmative action goals established by this Plan does not obviate the need for the State Party to conduct outreach activities such as recruitment, education and training. (Rule 6.A.(3))

E. OBLIGATIONS OF PRESIDENTIAL CANDIDATES TO MAXIMIZE PARTICIPATION

1. Presidential candidates shall assist the New Hampshire Democratic Party in meeting the demographic representation goals reflected in the Affirmative Action Plan including, but not limited to, appointing an affirmative action outreach coordinator, for the purpose of identifying and recruiting delegate candidates from non-caucasian and other historically under represented groups. (Rule 6.H.)
2. Each presidential candidate must submit a written statement to the State Democratic Chair by October 1, 2015 which indicates the specific steps he or she will take to encourage full participation in New Hampshire's delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate. (Rule 6.H.(1))
3. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. (Rule 6.H.(2))
4. Presidential candidates (including uncommitted status) shall use their best effort to ensure that their respective delegations within the state's delegate, alternate and

standing committee delegations shall achieve the affirmative action goals reflected in the Affirmative Action Plan and that the respective delegations of each presidential candidate shall be equally divided between men and women. Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate and alternate candidates who meet applicable equal division and affirmative action considerations in order to achieve the affirmative action goals and equal division for their respective delegations. (Rule 6.1. & Reg. 4.9.) On or before December 1<sup>st</sup>, 2015, each presidential candidate's affirmative action outreach coordinator shall provide the chair of the affirmative action committee with a written statement of the steps taken by the presidential candidate to try to achieve affirmative action goals and equal division at the district level.

## SECTION VIII

Challenges related to the delegate selection process are governed by the Regulations of the DNC Rules and Bylaws Committee for the 2016 Democratic National Convention (Regs., Sec. 3.), and the "Rules of Procedure of the Credentials Committee of the 2016 Democratic National Convention" (Call, Appendix A.)
2. Under Rule 20.B. of the 2016 *Delegate Selection Rules*; the DNC Rules and Bylaws Committee has jurisdiction over challenges pertaining to the submission, non-implementation and violation of state Delegate Selection and Affirmative Action Plans. (Rule 20.B. & Call Appendix A)
3. The Rules and Bylaws Committee has jurisdiction to hear and decide any challenge provided it is initiated before the 56th day preceding the date of the commencement of the 2016 Democratic National Convention. (Call, Appendix A. & Reg., 3.1.)
4. Challenges to the credentials of delegates and alternates to the 2016 Democratic National Convention initiated on or after the 56th day preceding the date of

commencement of the Democratic National Convention shall be processed in accordance with the "Rules of Procedure of the Credentials Committee of the 2016 Democratic National Convention." (Call, Appendix A)

5. Any challenge to the credentials of a standing committee member shall be considered and resolved by the affected standing committee in accordance with Appendix A of the *Call for the 2016 Democratic National Convention*. The Rules and Bylaws Committee shall have jurisdiction over challenges brought before the 56th day preceding the date of the commencement of the Democratic National Convention.

(Call, VII.B.5.)

6. Copies of the Regulations of the Rules and Bylaws Committee and/or the Call for the 2016 Democratic National Convention, including the Rules of Procedure of the Credentials Committee (Appendix A), shall be made available by the State Party upon reasonable request.

7. Any group of fifteen Democrats with standing to challenge as defined in Reg. 3.2 or the Call (Appendix A, Sec. 2:A.), may bring a challenge to this Plan or to the implementation of this Plan, including its Affirmative Action provisions.

**B. CHALLENGES TO THE STATUS OF THE STATE PARTY AND CHALLENGES TO THE PLAN**

1. A challenge to the status of the State Party Committee as the body entitled to sponsor a delegation from that state shall be filed with the Rules and Bylaws Committee not later than thirty (30) calendar days prior to the initiation of the state's delegate selection process. (Rule 20.A. & Reg. 3.4.A.)
2. A challenge to the state's Delegate Selection Plan shall be filed with the Chair of the New Hampshire Democratic Party and the Co-Chairs of the Rules and Bylaws Committee within fifteen (15) calendar days after the adoption of the Plan by the State Party. (Reg. 3.4.B.)
3. A challenge to a Plan must be brought in conformity with the Rules and the Regs., which should be consulted for a detailed explanation of challenge procedures.

#### C. CHALLENGES TO IMPLEMENTATION

1. A challenge may be brought alleging that a specific requirement of an approved Plan has not been properly implemented. Jurisdiction over all challenges initiated in a timely fashion shall reside with either the Rules and Bylaws Committee or the Credentials Committee of the National Convention (See Section VII.A. above). However, the Rules and Bylaws Committee may provide advice, assistance or

- interpretations of the Delegate Selection Rules at any stage of the delegate selection process. (Reg. 3.1.C.)
2. An implementation challenge brought before the Rules and Bylaws Committee is initiated by filing a written challenge with the State Party Committee and with the Rules and Bylaws Committee not later than fifteen (15) days after the alleged violation occurred. The State Party has twenty-one (21) days to render a decision. Within ten (10) days of the decision, any party to the challenge may appeal it to the Rules and Bylaws Committee. If in fact, the State Party renders no decision, any party to the challenge may request the Rules and Bylaws Committee to process it. The request must be made within ten (10) days after expiration of the above twenty-one (21) day period. (Regs. 3.4.C., E., & H.)
  3. Performance under an approved Affirmative Action Plan and composition of the convention delegation shall be considered relevant evidence in the challenge to any state delegation. If a State Party has adopted and implemented an approved affirmative action program, the State Party shall not be subject to challenge based solely on delegation composition or primary results. (Rule 6.B) The procedures are the same for challenges alleging failure to properly implement the Affirmative Action section of a Plan, except that such challenges must be filed not later than thirty (30) days prior to the initiation of the state's delegate selection process. (Reg. 3.4.C.)

4. Depending on the appropriate jurisdiction (see Section VIII.A. above), implementation challenges must be brought in conformity with the Regulations of the Rules and Bylaws Committee or the Rules of Procedure of the Credentials Committee, which should be consulted for a detailed explanation of challenge procedures.
